

On December 16, 2010, Greenberg Traurig, LLP, as Bond Counsel at that time, rendered its opinion that under then existing law, (a) interest on the Bonds was excludable from gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which that Bond is held by a “substantial user” of the Project or by a “related person,” as those terms are used in Section 147(a) of the Internal Revenue Code of 1986, as amended, and (b) interest on the Bonds was not an item of tax preference for the purpose of computing the federal alternative minimum tax imposed on individuals and corporations and was not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations. The opinion of Greenberg Traurig, LLP is not required to be, and has not been, updated or reissued in connection with the reoffering of the Bonds. Kutak Rock LLP, as successor Bond Counsel, will render its opinion to the effect that the change in Mode for the Bonds to the Term Rate Mode on the Mode Change Date will not, in and of itself, impair any exclusion of interest on the Bonds from gross income of the owners thereof for federal income tax purposes. For a more complete discussion, see “TAX MATTERS.”

CLARK COUNTY, NEVADA
POLLUTION CONTROL REFUNDING REVENUE BONDS
(SOUTHERN CALIFORNIA EDISON COMPANY)
SERIES 2010

INTRODUCTORY STATEMENT

This Reoffering Circular is provided to furnish information in connection with the reoffering of Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2010 Series in the aggregate principal amount of \$75,000,000 (the “Bonds”). The Bonds were issued by Clark County, Nevada (the “Issuer”) pursuant to an Indenture of Trust dated as of December 1, 2010 (the “Indenture”) between the Issuer and The Bank of New York Mellon, as Trustee (the “Trustee”). Capitalized terms used but not defined herein (including in APPENDIX D hereto) have the meanings assigned to them in the Indenture.

Purpose

The Bonds were issued by the Issuer on December 16, 2010 at the request of Southern California Edison Company, a California corporation (the “Company”), for the purpose of refunding the following series of bonds previously issued by the Issuer (collectively, the “Prior Bonds”).

- \$40,000,000 aggregate principal amount of outstanding Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2000 Series A;
- \$15,000,000 aggregate principal amount of outstanding Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2000 Series B; and
- \$20,000,000 aggregate principal amount of outstanding Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2000 Series C.

The Prior Bonds were issued to refinance the cost to the Company of its undivided interest in certain pollution control facilities (the “Project”) at the Mohave Generating Station, a coal-fired electric power generating plant located in Clark County, Nevada (the “Plant”). Commercial operations at the Plant ceased on December 31, 2005 and the Plant has been decommissioned and demolished, including the Project. In connection with such decommissioning and demolition, the Company sought and received a private letter ruling from the Internal Revenue Service that the demolition of the Project will not (1) cause interest on bonds issued to finance the Project to fail to be excludable from gross income under Section 103 of the Internal Revenue Code of 1954, nor (2) cause Section 150(b) of the Internal Revenue Code of 1986 (the “Code”) to apply, precluding the Company from deducting interest on the financing agreements relating to such bonds.

Security and Sources of Payment

Pursuant to a Loan Agreement, dated as of December 1, 2010 (the “Agreement”), between the Issuer and the Company, the Issuer made a loan to the Company for the purpose of

refinancing the cost of the Project through the refunding of all of the outstanding Prior Bonds. Under the Agreement, the Company is obligated to repay such loan by making payments at such times and in such amounts as are required to pay when due the principal of and interest on the Bonds (the "Repayment Installments"). Pursuant to the Agreement, the Company's obligations to make the Repayment Installments and to pay the Purchase Price when due, as described herein, and to perform and observe the other agreements on its part contained in the Agreement are absolute and unconditional, irrespective of any defense, lack of or defect in title to the Project or any rights of setoff, recoupment or counterclaim it might otherwise have against the Issuer. To secure and provide for the payment of the Repayment Installments, the Company has issued a series of its first and refunding mortgage bonds (the "Series 2010 First Mortgage Bonds") under a Trust Indenture, dated as of October 1, 1923, between the Company and The Bank of New York Mellon Trust Company, N.A. and D. G. Donovan, as successor trustees (the "First Mortgage Trustees"), as amended and supplemented (the "Company Indenture") in the same principal amount, bearing the same rate of interest and maturing on the same date as the Bonds. Pursuant to the Indenture, all rights, titles and interests of the Issuer under the Agreement and the Series 2010 First Mortgage Bonds have been assigned to the Trustee, except for certain rights of the Issuer to receive payment for fees and expenses and rights to indemnification.

Limited Liability

The Bonds do not constitute a debt or liability, or a pledge of the faith, credit or taxing power, of the Issuer or the State of Nevada (the "State") or any of its political subdivisions, and are payable solely from the revenues and receipts derived by the Issuer pursuant to the Agreement and pledged under the Indenture to the Trustee for the payment of the Bonds. No owner of any Bond shall have any right to demand payment of the principal or Purchase Price of, or interest on, the Bonds out of any funds to be raised by taxation or appropriation.

Concurrent Reofferings

Concurrently with the reoffering of the Bonds, (i) \$203,460,000 aggregate principal amount of Pollution Control Refunding Revenue Bonds (Southern California Edison Company Four Corners Project) 2005 Series A and B, issued by the City of Farmington, New Mexico for the benefit of the Company, and (ii) \$55,540,000 aggregate principal amount of Pollution Control Refunding Revenue Bonds (Southern California Edison Company Four Corners Project) 2011 Series, issued by the City of Farmington, New Mexico for the benefit of the Company (the "Farmington 2011 Bonds"), are being reoffered on April 1, 2015 pursuant to separate reoffering circulars. The consummation of each of the reoffering of the Bonds and each of the other two reofferings of bonds described above is subject to customary closing conditions and termination provisions. However, the consummation of none of these reofferings is contingent upon the consummation of any of the others. Accordingly, it is possible that one or more of these reofferings will be consummated, while one or more of the others will not be consummated.

Since the Company is currently the holder of the Bonds and the Farmington 2011 Bonds, the Company will receive the proceeds of the reofferings of those bonds and intends to use such proceeds for repayment of short-term borrowings and general corporate purposes.

Miscellaneous

Brief descriptions of the Issuer, the Bonds, the Project, the Agreement, the Indenture, the Company Indenture and the Series 2010 First Mortgage Bonds are included in this Reoffering Circular. For information concerning the Company, see APPENDIX A hereto. The text of the approving opinion of Greenberg Traurig, LLP, Bond Counsel at the time of the issuance of the Bonds on December 16, 2010, is included as APPENDIX B hereto. The proposed form of the opinion of Kutak Rock LLP, as successor Bond Counsel in connection with this reoffering of the Bonds (the “Successor Bond Counsel”), to be delivered on the April 1, 2015 Mode Change Date is included as APPENDIX C hereto. Certain definitions used herein are set forth in APPENDIX D hereto. The references herein to the Bonds, the Agreement and the Indenture are qualified in their entirety by reference to such documents, copies of which may be obtained at the designated corporate trust office of the Trustee at 385 Rifle Camp Road, 3rd Floor, Woodland Park, New Jersey 07424. In addition, a copy of the Company Indenture may be obtained upon request to the Company, or through the Internet, as described in APPENDIX A. All such descriptions are further qualified in their entirety by reference to bankruptcy, insolvency, reorganization, moratorium or similar laws or governmental actions relating to or affecting generally the enforcement of creditors’ rights.

The Issuer

The Issuer is a political subdivision organized and existing as a county under the laws of the State. Pursuant to Sections 244A.669 to 244A.763, inclusive, of the Nevada Revised Statutes, as amended, the Issuer was authorized and empowered to issue the Bonds, to use the proceeds thereof for the purposes described above and to enter into the Indenture and the Agreement.

THE BONDS

General

On April 1, 2015 (the “Mode Change Date”) the Bonds will begin to bear interest at the Term Rate set forth on the cover page hereof (the “Term Rate”) and will continue to bear interest at the Term Rate from the Mode Change Date to, and including, March 31, 2020 (such period being herein referred to as the “Term Rate Mode”). Interest on the Bonds at the Term Rate will begin accruing on the Mode Change Date and will be payable on each June 1 and December 1 during the Term Rate Mode, commencing June 1, 2015, and on April 1, 2020 (the “Interest Payment Dates”) and will be calculated on the basis of a 360-day year comprised of twelve 30-day months. On and after April 1, 2020, the rate of interest on the Bonds may be adjusted from time to time to Daily, Weekly, SIFMA-Based Term, Term, Fixed or Commercial Paper Rates, at the option of the Company, subject to certain restrictions and upon notice as described in the Indenture. This Reoffering Circular does not contain any information regarding the Bonds after the end of the Term Rate Mode.

On April 1, 2020 (the “Mandatory Purchase Date”), the Bonds are subject to mandatory purchase by the Company at 100% of the principal amount thereof, as described below under “THE BONDS—Mandatory Purchase.” The Bonds are not subject to optional redemption prior

to the Mandatory Purchase Date but are subject to extraordinary optional redemption and to mandatory redemption prior to the Mandatory Purchase Date in the manner and at the times described below under “THE BONDS—Redemption.” The Bonds mature on June 1, 2031 (the “Maturity Date”). The principal of the Bonds will be payable on the Principal Payment Dates, upon surrender thereof at the designated office of the Trustee.

During the Term Rate Mode, the Bonds will be fully registered Bonds, without coupons, in denominations of \$5,000 and any integral multiple thereof (the “Authorized Denominations”). The Bonds are registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”), pursuant to DTC’s book-entry only system (the “Book-Entry Only System”). Purchases of beneficial interests in the Bonds will be made in book-entry form, without certificates. If at any time the Book-Entry Only System is discontinued for the Bonds, the Bonds will be exchangeable for other fully registered certificated Bonds bearing interest at the Term Rate in any Authorized Denominations. See “THE BONDS—Book-Entry Only System—*Discontinuance of Book-Entry Only System*” herein. The Trustee may require the payment by any Owner of any tax or other governmental charge required to be paid with respect to such exchange or any transfer of a Bond.

The principal of and interest on the Bonds will be payable in lawful money of the United States of America. The interest on the Bonds will be paid by the Trustee on the Interest Payment Dates by checks mailed by the Trustee to the respective Owners of record thereof on the 15th day (whether or not a Business Day) of the month immediately preceding each Interest Payment Date (the “Record Date”) at their addresses as they appear on the applicable Record Date in the books required to be kept by the Trustee, except that in the case of an Owner of \$1,000,000 or more in aggregate principal amount of the Bonds, payment of interest will be made by wire transfer of immediately available funds to an account within the continental United States on the Interest Payment Date following such Record Date upon the written request of such Owner to the Trustee.

The Bonds are subject to extraordinary optional redemption during the Term Rate Mode as described below under “THE BONDS—Redemption—*Extraordinary Optional Redemption*.”

The Bonds are also subject to special mandatory redemption during the Term Rate Mode as described below under “THE BONDS—Redemption—*Mandatory Redemption on Determination of Taxability*.”

Redemption

Optional Redemption. During the Term Rate Mode, the Bonds are not subject to optional redemption at the direction of the Company.

Extraordinary Optional Redemption. During the Term Rate Mode, the Bonds will be redeemed by the Issuer in whole, but not in part, at any time, upon the exercise by the Company of its option to prepay the Repayment Installments in whole pursuant to the Agreement, at a redemption price equal to 100% of the principal amount thereof plus accrued interest, if any, to the date of redemption, upon the occurrence of any of the following events:

(i) all or substantially all of the Project is damaged or destroyed and the Company determines that it is not practicable or desirable to rebuild, repair and restore the Project;

(ii) all or substantially all of the Project is condemned or such use or control thereof is taken by eminent domain as to render the Project unsatisfactory to the Company for continued operation;

(iii) unreasonable burdens or excessive liabilities are imposed upon the Issuer or the Company with respect to the Project or the operation thereof; or

(iv) all or substantially all of the property of the Company is transferred or sold to any corporation other than an affiliate of the Company or the Company is consolidated with or merged into a corporation other than an affiliate of the Company in such manner that the Company is not the surviving corporation.

The Bonds will also be subject to optional redemption during the Term Rate Mode, in whole or in part, on any date at a redemption price equal to 100% of the principal amount thereof to be redeemed plus accrued interest, if any, to the date of redemption, if the Company delivers to the Trustee a written certificate (A) to the effect that by reason of a change in use of the Project or any portion thereof, the Company has been unable, after reasonable effort, to obtain an Opinion of Bond Counsel to the effect that a court, in a properly presented case, should decide that Section 150 of the Code (or successor provision of similar import) does not prevent that portion of the Repayment Installment payable under the Agreement attributable to interest on the Bonds from being deductible by the Company for federal income tax purposes; (B) specifying that as a result of its inability to obtain such Opinion of Bond Counsel, the Company has elected to prepay amounts due under the Agreement equal to the redemption price of the Bonds to be so redeemed; and (C) specifying the principal amount of Bonds which the Company has determined to be necessary to be so redeemed in order for the Company to retain its right to such interest deductions (which principal amount of Bonds will be so redeemed).

Mandatory Redemption on Determination of Taxability. On any date not later than the 180th day following the occurrence of a Determination of Taxability, the Bonds will be redeemed at a redemption price equal to 100% of the principal amount thereof plus accrued interest, if any, to the redemption date in whole, or in part if the Trustee and the Issuer receive an Opinion of Bond Counsel to the effect that the redemption of a specified portion of the Bonds Outstanding would have the result that interest payable on the Bonds remaining Outstanding after such redemption would be Tax-Exempt to any holder or Beneficial Owner of a Bond (other than a holder or Beneficial Owner who is a “substantial user” of the facilities refinanced with the proceeds of the Bonds or a “related person” within the meaning of Section 147(a) of the Code), upon which opinion the Trustee and the Issuer may rely, and in such event the Bonds will be redeemed (in Authorized Denominations) in such amount as Bond Counsel in such opinion has determined is necessary as to accomplish that result. Upon a Determination of Taxability, the Trustee will give notice of such redemption as provided in the Indenture and described below.

Selection of Bonds for Redemption. If not otherwise provided in the Indenture, whenever less than all the Outstanding Bonds are to be redeemed on any one date; the Trustee,

unless directed otherwise by the Company as provided in the Indenture, will select the Bonds to be redeemed from the Outstanding Bonds by lot, or in such other manner as the Trustee deems fair; provided, that the Trustee will first select the following Bonds for redemption in the following order of priority: first, any Bonds held by the Trustee for the account of the Company and, second, any undelivered Bonds, if the Company has offered to purchase all Bonds in lieu of redemption. The Trustee, or the Company, as the case may be, will make the selection from Bonds not previously called for redemption. For this purpose, each Bond in a denomination larger than the minimum Authorized Denomination at the time will be considered to be separate Bonds each in the minimum Authorized Denomination.

Notice of Redemption. Except as otherwise provided in the Indenture, the Trustee will give notice of the redemption of any Bonds to be redeemed, as described above, upon receipt of notice from the Company, which notice must be given to the Trustee not less than three Business Days prior to the date notice of redemption must be given by the Trustee to the Owners of the Bonds to be redeemed as described in the next succeeding paragraph (unless the Company and the Trustee agree to a shorter period).

Except as otherwise provided in the Indenture, notice of redemption will be given by mail by the Trustee to the Issuer, the Remarketing Agent, if any, and the Owners of any Bonds designated for redemption in whole or in part at the addresses shown on the registration books not less than 20 days nor more than 60 days prior to the redemption date. Each notice of redemption will state the redemption date, the redemption price, the redemption place and manner of payment, the principal amount, the Bonds or portions thereof to be redeemed, the distinctive numbers (including CUSIP numbers) of the Bonds, and that on said date there will become due and payable on each of said Bonds the principal amount thereof to be redeemed, interest accrued thereon to the redemption date and that thereafter interest ceases to accrue and that the holders of said Bonds will cease to be entitled to any lien, benefit or security under the Indenture. The failure to mail such notice with respect to any Bond will not affect the validity of the proceedings for the redemption of any other Bond with respect to which notice was so mailed.

With respect to any notice of optional redemption of Bonds, unless, upon the giving of such notice, such Bonds are deemed to have been paid within the meaning of the Indenture, such notice may state (if so directed by the Company) that such redemption is conditional upon the receipt by the Trustee on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of, and interest on, such Bonds to be redeemed, and that if such moneys are not so received said notice will be of no force and effect and the Trustee will not be required to redeem such Bonds. In the event that such notice of redemption contains such a condition and such moneys are not so received, the redemption will not be made and the Trustee will within a reasonable time thereafter give notice, in the manner in which the notice of redemption was given, that such moneys were not so received.

Any notice mailed as described above will be conclusively presumed to have been given, whether or not actually received by any Owner. If a Bond is presented to the Trustee for transfer after notice of redemption of such Bond has been mailed as provided in the Indenture and described above, the Trustee will deliver a copy of such notice of redemption to the new Owner of such Bond.

Partial Redemption of Bonds. Upon surrender of any Bond redeemed in part only, the Trustee will provide a replacement Bond in a principal amount equal to the portion of such Bond not redeemed and deliver it to the registered owner thereof. The Bond so surrendered will be cancelled by the Trustee. The Issuer, the Company and the Trustee are fully released and discharged from all liability to the extent of payment of the redemption price for such partial redemption.

Effect of Redemption. If notice of redemption has been duly given as described above and moneys for payment of the redemption price are being held by the Trustee, the Bonds so called for redemption will, on the redemption date designated in such notice, become due and payable at the redemption price specified in such notice, interest on the Bonds so called for redemption will cease to accrue, said Bonds will cease to be entitled to any lien, benefit or security under the Indenture, and the holders of said Bonds will have no rights in respect thereof except to receive payment of the redemption price thereof. If such moneys are invested, they must be invested upon the specific written direction of the Company only in Permitted Investments having a maturity of 30 days or less and maturing not later than the redemption date.

All Bonds redeemed as described in the above provisions will be cancelled by the Trustee upon surrender thereof and a certificate of such cancellation will be delivered to the Issuer and the Company by the Trustee.

Mandatory Purchase

Mandatory Purchase at End of Term Rate Mode. The Bonds are subject to mandatory purchase on the Mandatory Purchase Date (April 1, 2020; the day next succeeding the last scheduled day of the Term Rate Mode) at a Purchase Price equal to 100% of the principal amount thereof, plus accrued interest, if any, to the Mandatory Purchase Date. Failure to pay the Purchase Price on the Mandatory Purchase Date would constitute an Event of Default under the Indenture (see (c) of the first paragraph under “THE INDENTURE—Defaults and Remedies” below). Subject to the provisions of the Book-Entry Only System, Bonds so purchased are required to be delivered by the Owners (with all necessary endorsements) to the office of the Trustee at or before 12:00 Noon, New York City time, on the Mandatory Purchase Date, and payment of the Purchase Price will be made by wire transfer of immediately available funds by the Trustee by the close of business on such Mandatory Purchase Date. No notice of this mandatory purchase is required under the Indenture to be given to the Owners.

Source of Funds for Purchase of Bonds. By the close of business on the Mandatory Purchase Date, the Trustee will purchase tendered Bonds from the tendering Owners at the Purchase Price by wire transfer of immediately available funds on deposit in the Purchase Fund described below. Funds for the payment of the Purchase Price will be derived solely from the following sources in the order of priority indicated and neither the Trustee nor the Remarketing Agent is obligated to provide funds from any other source:

- (i) immediately available funds representing the proceeds of the remarketing of Bonds by the Remarketing Agent on deposit in the Remarketing Proceeds Account established in the Purchase Fund created under the Indenture; and

(ii) unless otherwise required in the Indenture that the Purchase Price be paid solely with remarketing proceeds, immediately available funds representing payments by the Company under the Agreement on deposit in the Company Purchase Account of the Purchase Fund.

Undelivered Bonds. If the Bonds are not delivered by the Owners to the Trustee by 12:00 Noon, New York City time, on the Mandatory Purchase Date, the Trustee will hold the funds received for the purchase of the Bonds in trust in a separate account and will pay such funds to the former Owners of the Bonds upon presentation of the Bonds. Such undelivered Bonds will cease to be Outstanding and, therefore, to accrue interest as to the former Owners on the Mandatory Purchase Date, and moneys representing the Purchase Price will be available against delivery of those Bonds at the office of the Trustee. The Trustee will authenticate a replacement Bond for any undelivered Bond which may then be remarketed by the Remarketing Agent.

No Sales After Payment Default. Anything in the Indenture to the contrary notwithstanding, if there has occurred and is continuing an Event of Default described in (a), (b) or (c) of the first paragraph below under “THE INDENTURE—Defaults and Remedies,” the Remarketing Agent will not remarket any Bonds; provided, that nothing described herein or in the Indenture will be construed as prohibiting purchases by the Remarketing Agent of Bonds on the Mandatory Purchase Date.

Purchase Fund. There has been established with the Trustee a separate fund maintained by it and known as the Clark County, Nevada Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2010 Series Purchase Fund (the “Purchase Fund”). There have been established separate accounts within the Purchase Fund known as the “Remarketing Proceeds Account” and the “Company Purchase Account.”

(i) ***Remarketing Proceeds Account.*** Upon receipt of the proceeds of a remarketing of Bonds by the Remarketing Agent, the Trustee will deposit such proceeds in the Remarketing Proceeds Account to be used to pay the Purchase Price of the Bonds.

(ii) ***Company Purchase Account.*** Upon receipt of money provided by the Company pursuant to the Agreement for the payment of the Purchase Price of Bonds, the Trustee will deposit such proceeds in the Company Purchase Account to be used to pay the Purchase Price of the Bonds to the extent that the moneys on deposit in the Remarketing Proceeds Account will not be sufficient. Any amounts deposited in the Company Purchase Account and not needed on the Mandatory Purchase Date for the payment of the Purchase Price of the Bonds will be immediately returned to the Company.

(iii) ***Investment.*** Amounts held in the Remarketing Proceeds Account and the Company Purchase Account by the Trustee will be held uninvested and separate and apart from each other and from all other funds and accounts.

(DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC.

DTC is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for equity issues, corporate and municipal debt issues, and money market instruments that DTC's Participants ("Direct Participants") deposit with DTC. DTC also facilitates the post trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book entry transfers and pledges between Direct Participants' accounts. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non U.S. securities brokers and dealers, banks, trust companies and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The DTC Rules applicable to Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com and www.dtc.org (it being understood that information available at these websites is not incorporated herein by reference). So long as the Bonds are maintained in book entry form with DTC, the following procedures will be applicable with respect to the Bonds.

Purchases of the Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the

Bonds, except in the event that use of the book entry system for the Bonds is discontinued. See “THE BONDS—Book-Entry Only System—*Discontinuance of Book-Entry Only System*” below.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of the Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Trustee and request that copies of notices be provided directly to them. **THE ISSUER, THE COMPANY, THE UNDERWRITERS, THE REMARKETING AGENT AND THE TRUSTEE WILL NOT HAVE ANY RESPONSIBILITY OR OBLIGATION TO SUCH DIRECT AND INDIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEES WITH RESPECT TO THE BONDS.**

Redemption notices will be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Issuer as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detailed information from the Issuer or the Trustee, on the payable date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC, the Trustee, the Company, the Underwriters,

the Remarketing Agent or the Issuer, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Issuer or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall effect delivery of its Bonds for purchase on the Mandatory Purchase Date by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Bonds in connection with a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book entry credit of tendered Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as Securities Depository with respect to the Bonds at any time by giving reasonable notice to the Issuer or the Trustee. Under such circumstances, in the event that a successor Securities Depository is not obtained, bond certificates are required to be delivered as described in the Indenture (see "THE BONDS—Book-Entry Only System—*Discontinuance of Book Entry Only System*" below). The Beneficial Owner, upon registration of certificates held in the Beneficial Owner's name, will become the registered owner of the Bonds.

The Issuer, upon the direction of the Company, may decide to discontinue use of the system of book entry transfers through DTC (or a successor Securities Depository). In that event, bond certificates will be delivered as described in the Indenture (see "THE BONDS—Book-Entry Only System—*Discontinuance of Book Entry Only System*" below).

So long as Cede & Co., or such other name as may be requested by an authorized representative of DTC, is the registered owner of the Bonds, as nominee of DTC, references herein to the registered owners of the Bonds will mean Cede & Co. or such other name and will not mean the Beneficial Owners. Under the Indenture, payments made by the Trustee to DTC or its nominee will satisfy the Issuer's obligations under the Indenture and the Company's obligations under the Agreement to the extent of the payments so made. Beneficial Owners will not be, and will not be considered by the Issuer or the Trustee to be, and will not have any rights as, registered owners of Bonds under the Indenture.

THE ISSUER, THE COMPANY, THE UNDERWRITERS, THE REMARKETING AGENT AND THE TRUSTEE WILL HAVE NO RESPONSIBILITY OR OBLIGATION TO ANY DIRECT PARTICIPANT, INDIRECT PARTICIPANT OR ANY BENEFICIAL OWNER OR ANY OTHER PERSON WITH RESPECT TO: (1) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT; (2) THE PAYMENT OF ANY AMOUNT DUE BY DTC TO ANY DIRECT PARTICIPANT OR BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL AMOUNT OR REDEMPTION OR PURCHASE PRICE OF OR INTEREST ON THE BONDS; (3) THE DELIVERY OF ANY NOTICE BY DTC TO ANY DIRECT PARTICIPANT OR BY ANY DIRECT PARTICIPANT OR INDIRECT PARTICIPANT TO ANY BENEFICIAL OWNER

WHICH IS REQUIRED OR PERMITTED TO BE GIVEN TO REGISTERED OWNERS UNDER THE TERMS OF THE INDENTURE; (4) THE SELECTION OF THE BENEFICIAL OWNERS TO RECEIVE PAYMENT IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (5) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ANY PARTICIPANT AS REGISTERED OWNER.

As long as DTC (or any successor Securities Depository) or its nominee is the registered owner of the Bonds, the Trustee will send any notice of redemption or of proposed document amendments requiring consent of registered owners and any other notices required by the documents to be sent to registered owners only to such registered owner. Any failure of DTC to advise any Direct Participant, or of any Direct Participant or Indirect Participant to notify the Beneficial Owner, of any such notice and its content or effect will not affect the validity of the redemption of the Bonds called for redemption, the document amendment or any other action premised on that notice.

The Issuer, the Company, the Trustee, the Underwriters and the Remarketing Agent cannot and do not give any assurances that DTC will distribute payments of debt service on the Bonds made to DTC or its nominee as the registered owner or any redemption or other notices to the Participants, or that the Participants or others will distribute such payments or notices to the Beneficial Owners, or that they will do so on a timely basis, or that DTC will serve and act in the manner described in this Reoffering Circular.

According to DTC, the foregoing information concerning DTC has been provided for informational purposes only and is not intended to serve as a representation, warranty, or contract modification of any kind.

Discontinuance of Book-Entry Only System. The Indenture provides that the Book-Entry Only System for registration of the ownership of the Bonds in book entry form may be discontinued at any time if: (i) after notice to the Issuer or the Trustee, DTC determines to resign as Securities Depository for the Bonds; or (ii) after notice to DTC, the Trustee and the Remarketing Agent, if any, the Company determines that a continuation of the system of book-entry transfers through DTC (or through a successor securities depository) is not in the best interests of the Company; or (iii) after notice to the Issuer or the Trustee, DTC determines that the current system of book-entry transfers through DTC does not permit DTC to act as a securities depository for the Bonds during the time that the Bonds are in a particular Mode. In each of such events (unless, in the cases described in clause (i) or (iii) above, the Company appoints a successor securities depository), the Bonds will be delivered in registered certificate form to such persons, and in such principal amounts, as may be designated by DTC, but without any liability on the part of the Issuer, the Trustee or the Company for the accuracy of such designation. Whenever DTC requests the Issuer and the Trustee to do so, the Issuer and the Trustee will cooperate with DTC in taking appropriate action after reasonable notice to arrange for another securities depository to maintain custody of certificates evidencing the Bonds.

The Issuer, at the request of the Company, hereafter may enter into Supplemental Indentures without notice to or consent of the Owners of any of the Bonds in order (i) to offer to the Beneficial Owners of the Bonds the option of receiving any Bonds in certificated form, or (ii) to require the execution and delivery of certificated Bonds representing a portion or all of the

Bonds, (A) if DTC ceases to serve as securities depository and no successor securities depository can be found to serve upon terms satisfactory to the Company, or (B) if the Company determines that it would be in its best interest or in the best interests of the Beneficial Owners of the Bonds that they obtain certificated Bonds; provided, that any such Supplemental Indenture is in form reasonably satisfactory to the Trustee and the Issuer.

If at any time DTC ceases to hold the Bonds, all references herein and in the Indenture to DTC will be of no further force or effect.

The Trustee, the Issuer and the Remarketing Agent may rely on information from DTC and its Participants as to the identity of, and the respective principal amount of Bonds beneficially owned by, the Beneficial Owners of the Bonds.

In the event that the Book-Entry Only System is discontinued, the principal or redemption price of and interest on the Bonds will be payable, and the Bonds will be issued in the Authorized Denominations, in the manner described above under the caption “THE BONDS—General.” All Bonds will be transferable or exchangeable by the Owner, in person or by the Owner’s attorney duly authorized in writing, at the Principal Office of the Trustee in the registration books required to be kept by the Trustee pursuant to the provisions of the Indenture, upon surrender of such Bonds accompanied by delivery of a duly executed written instrument of transfer or exchange in a form approved by the Trustee. Whenever any Bond or Bonds are surrendered for registration of transfer or exchange, the Trustee will execute and deliver a new Bond or Bonds of Authorized Denominations of the same aggregate principal amount as the Bonds so surrendered, except that the Trustee may require the payment by any Owner requesting such registration of transfer or exchange of any tax or other governmental charge required to be paid with respect to such transfer or exchange.

Neither the Issuer nor the Trustee will be required to register the transfer or exchange of any Bonds (i) during the period commencing on the date ten days prior to the date of redemption of such Bonds to the redemption date or (ii) after such Bonds (or any portion thereof) have been selected for redemption.

THE LOAN AGREEMENT

The following is a summary of certain provisions of the Agreement. This summary does not purport to be complete, comprehensive or definitive and is not to be considered a full statement of the terms of the Agreement and accordingly is qualified in its entirety by reference to the Agreement and is subject to the full text thereof.

Payments

The Company has been making, and has agreed to make, Repayment Installments in amounts sufficient to pay the principal of and interest on the Bonds when due. The Company has also agreed to pay to the Trustee, on the Mandatory Purchase Date, an amount which, together with other moneys held by the Trustee under the Indenture and available therefor, will enable the Trustee to make such payment in full in a timely manner. In addition, the Company has agreed to pay fees and expenses of the Trustee and the Issuer. The Company has the option, and in certain circumstances the obligation, to prepay all or a portion of the Repayment

Installments in certain circumstances or upon the occurrence of certain events involving the redemption of the Bonds.

To secure and provide for the payments of Repayment Installments when they become due, the Company issued and delivered to the Trustee, concurrently with the issuance of the Bonds, its Series 2010 First Mortgage Bonds and has covenanted under the Agreement to maintain the Series 2010 First Mortgage Bonds in place during the term of the Agreement. Payments of Repayment Installments made by the Company will be considered to be a satisfaction, to such extent, of its obligation to make corresponding payments on the Series 2010 First Mortgage Bonds. The Company has agreed that upon the occurrence and continuation of an Event of Default under the Indenture as described below in clause (c) of the first paragraph under “THE INDENTURE—Defaults and Remedies,” the Trustee may demand an immediate mandatory redemption of the Series 2010 First Mortgage Bonds.

Unconditional Obligation

The Company’s obligations to make payments pursuant to the Agreement and the Series 2010 First Mortgage Bonds and to perform and observe the other agreements on its part contained in the Agreement are absolute and unconditional, irrespective of any defense or any rights of setoff, recoupment or counterclaim it might otherwise have against the Issuer. During the term of the Agreement, the Company must pay absolutely all the Repayment Installments and all other payments required under the Agreement, free of any deductions and without abatement, diminution or setoff. Until such time as the principal of and interest on all of the Bonds have been fully paid (or provision for the payment thereof has been made as required by the Indenture), the Company (i) will not suspend or discontinue any Repayment Installments, any Purchase Price payments that have become due or any payments on the Series 2010 First Mortgage Bonds; (ii) will perform and observe all of its other covenants contained in the Agreement; and (iii) except as provided in the Agreement, will not terminate the Agreement for any cause, including, without limitation, the occurrence of any act or circumstances that may constitute failure of consideration, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either of these, or any failure of the Issuer or the Trustee to perform and observe any covenant, whether express or implied, or any duty, liability or obligation arising out of or connected with the Agreement or the Indenture.

Tax Matters

The Company has covenanted and agreed that it has not taken or permitted, or omitted to take, and will not take or permit, or omit to take, any action which results in interest paid on the Bonds being included in the federal gross income of the holders or Beneficial Owners thereof (other than a holder or Beneficial Owner who is a “substantial user” of the Project or a “related person” within the meaning of Section 147(a) of the Code).

Maintenance of Corporate Existence

The Company has agreed that, during the term of the Agreement, it will maintain its corporate existence, will not dissolve or otherwise dispose of all or substantially all of its assets

and will not consolidate with or merge into another entity unless the acquirer of its assets or the entity with which it will consolidate or into which it will merge is (i) a Person (other than an individual) organized under the laws of the United States of America or one of the states of the United States of America, (ii) is qualified to do business in the State, and (iii) assumes in writing all of the obligations of the Company under the Agreement and the Tax Agreement. The Company has also agreed that during the term of the Agreement it will consent to service of process in the State by service upon the agent of the Company so designated in writing by the Company to the Issuer, the Trustee and the Remarketing Agent, if any.

Defaults

Any one of the following which occurs and continues will constitute an “Event of Default” under the Agreement:

(a) failure by the Company to pay any Repayment Installment at the times specified in the Agreement which failure causes an Event of Default under the Indenture;
or

(b) failure by the Company to pay any Purchase Price of a Bond at the times specified in the Agreement which failure causes an Event of Default under the Indenture;
or

(c) failure of the Company to observe and perform any covenant, condition or agreement required by the Agreement to be observed or performed by the Company, other than making the payments referred to in (a) and (b) above, which continues for a period of 30 days after written notice, which notice must specify such failure and request that it be remedied, given to the Company by the Issuer or the Trustee, unless the Issuer or the Trustee, as the case may be, agrees in writing to an extension of such time period; provided, however, that if the failure stated in the notice cannot be corrected within such period, the Issuer or the Trustee, as the case may be, will not unreasonably withhold its consent to an extension of such time period if corrective action is instituted within such period and diligently pursued until the default is corrected; or

(d) an Event of Default under the Indenture.

The provisions of (c) above are subject to the limitation that the Company will not be deemed in default if and so long as the Company is unable to carry out its agreements under the Agreement by reason of strikes, lockouts or other industrial disturbances; acts of public enemies; orders of any kind of the government of the United States, or of the State of California or of the State or any of their departments, agencies, or officials, or any civil or military authority; insurrections; riots; epidemics; landslides, lightning; earthquake; fire; hurricanes; storms; floods; washouts; droughts; arrests; restraint of government and people; civil disturbances; explosions, breakage or accident to machinery, transmission pipes or canals; partial or entire failure of utilities; or any other cause or event not reasonably within the control of the Company, the settlement of strikes, lockouts and other industrial disturbances being entirely within the discretion of the Company, and the Company will not be required to make settlement of strikes,

lockouts and other industrial disturbances by acceding to the demands of the opposing party or parties when such course is, in the judgment of the Company, unfavorable to the Company.

Whenever any Event of Default under the Agreement has occurred and continues:

(a) the Trustee, by written notice to the Company, is required to declare the unpaid balance of the Repayment Installments in respect of the Bonds in an amount equal to the outstanding principal amount of the Bonds plus accrued interest to be due and payable immediately, provided that concurrently with such notice the unpaid principal amount of the Bonds has become immediately due and payable;

(b) the Trustee may have access to and may inspect, examine and make copies of the books and records and any and all accounts and data of the Company relating to the Project; and

(c) the Issuer or the Trustee may, but is under no obligation to, take whatever action at law or in equity as may be necessary or desirable to collect the payments and other amounts then due and thereafter to become due or to enforce performance and observance of any obligation, agreement or covenant of the Company under the Agreement.

In case proceedings are pending for the bankruptcy or for the reorganization of the Company under the federal bankruptcy laws or any other applicable law, or in case a receiver or trustee has been appointed for the property of the Company or in the case of any other similar judicial proceedings relative to the Company, or the creditors or property of the Company, then the Trustee will be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount owing and unpaid pursuant to the Agreement and, in case of any judicial proceedings, to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee allowed in such judicial proceedings relative to the Company, its creditors or its property, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute such amounts as provided in the Indenture after the deduction of its charges and expenses.

Amendments, Changes and Modifications

Except as otherwise provided in the Agreement or the Indenture, the Agreement may not be effectively amended, changed, modified, altered or terminated without the written consent of the Trustee. See “THE INDENTURE—Amendments to the Agreement” herein.

Term of Agreement

The Agreement will continue in effect as long as any of the Bonds are Outstanding under the Indenture or the Trustee holds any moneys under the Indenture, whichever is later. All representations, covenants and certifications by the Company as to all matters affecting the Tax-Exempt status of interest on the Bonds will survive the termination of the Agreement.

THE INDENTURE

The following is a summary of certain provisions of the Indenture. This summary does not purport to be complete, comprehensive or definitive and is not to be considered a full statement of the terms of the Indenture and accordingly is qualified in its entirety by reference to the Indenture and is subject to the full text thereof.

Assignment of Agreement; Pledge of Revenues

Pursuant to the Indenture, all rights, titles and interests of the Issuer under the Agreement (except for certain rights to receive payment of expenses and to indemnification), including the right to receive Repayment Installments, have been assigned and pledged to the Trustee to secure the punctual payment of the principal of and interest on the Bonds.

All of the Revenues and the Series 2010 First Mortgage Bonds have been irrevocably pledged to the punctual payment of the principal of and interest on the Bonds and such Revenues and such Series 2010 First Mortgage Bonds may not be used for any other purpose while any of the Bonds remain Outstanding. Said pledge constitutes a first and exclusive lien on such Revenues for the payment of the Bonds in accordance with the terms of the Indenture.

Application of the Bond Fund

The Bond Fund, into which the accrued interest from the proceeds of the sale of the Bonds, if any, and the Repayment Installments are required to be deposited, will be maintained with the Trustee. Except as otherwise provided in the Indenture, while any Bonds are Outstanding, moneys in the Bond Fund will be used solely for the payment of the principal of, and interest on, the Bonds as the same become due and payable at maturity, upon redemption or otherwise. The Trustee is required to deposit into the Bond Fund all Repayment Installments it receives.

Defaults and Remedies

Each of the following events constitutes an “Event of Default” with respect to the Bonds under the Indenture:

- (a) failure to make payment of any installment of interest upon any Bond when the same becomes due and payable;
- (b) failure to make due and punctual payment of the principal of any Bond when the same becomes due and payable, whether at the stated maturity thereof or upon proceedings for redemption thereof or upon the maturity thereof by declaration;
- (c) failure to make due and punctual payment of the Purchase Price of any Bond pursuant to the Indenture;
- (d) the occurrence of an “Event of Default” under the Agreement;

(e) default by the Issuer in the performance or observance of any other of the covenants, agreements or conditions on its part in the Indenture or in the Bonds contained, and the continuance of such default for a period of 30 days after written notice thereof, specifying such default and requiring the same to be remedied, has been given to the Issuer and the Company by the Trustee, or to the Issuer, the Company and the Trustee by the Holders of not less than 25% in aggregate principal amount of the Bonds at the time Outstanding; or

(f) a “default” by the Company on any of its First Mortgage Bonds, as set forth in the Company Indenture.

No default described in (e) above will constitute an Event of Default unless the Issuer and the Company have failed to correct such default within the applicable period; provided, however, that if the default is such that it can be corrected, but cannot be corrected within such period, it will not constitute an Event of Default if corrective action is instituted by the Issuer or the Company within the applicable period and is being diligently pursued. With regard to any alleged default concerning which notice is given to the Company under the provisions described above, the Issuer has granted to the Company under the Indenture the full power to do any and all things and acts to the same extent that the Issuer could do and perform any such things and acts and with power of substitution. Notwithstanding such grant, the Company will have no obligation to cure any default of the Issuer.

Upon the occurrence and continuation of an Event of Default described in (c) above, the Trustee may, by notice to the First Mortgage Trustees, demand an immediate mandatory redemption of the Series 2010 First Mortgage Bonds as provided therein.

Upon the occurrence and continuance of an Event of Default under the Indenture, and upon the condition that, in accordance with the terms of the Company Indenture, the First Mortgage Bonds issued and outstanding thereunder have become immediately due and payable pursuant to any provision of the Company Indenture or the mandatory redemption of the Series 2010 First Mortgage Bonds has been demanded by the Trustee pursuant to the Indenture as described in the immediately preceding paragraph, the Bonds will, without further action, become and be immediately due and payable, anything in the Indenture or in the Bonds to the contrary notwithstanding, and the Trustee will give notice thereof in writing to the Issuer and the Company, and notice to the Bondholders in the same manner as a notice of redemption under the Indenture. The amount so immediately due and payable upon the Bonds will be (i) the principal amount thereof plus (ii) interest accrued thereon to such date.

The preceding paragraph, however, is subject to the condition that if the acceleration of the First Mortgage Bonds, or the demand for the mandatory redemption of the Series 2010 First Mortgage Bonds, as the case may be, has been rescinded and annulled, the automatic acceleration of the Bonds under the Indenture will be automatically rescinded and annulled without further action of the Trustee.

In the event the Trustee recovers any moneys following an Event of Default, such moneys and moneys in the Bond Fund on or after the occurrence of an Event of Default are required to be applied (except as otherwise provided in the Indenture): (i) first, to the payment of

all the Trustee's fees and expenses, including for the services of counsel, agents and employees properly engaged and employed, and all other expenses and liabilities incurred, and any advances made pursuant to the provisions of the Indenture with interest on all such advances at the rate of 10% per annum; (ii) second, in case the principal of none of the Outstanding Bonds has become due and remains unpaid, to the payment of any interest in default in order of the maturity thereof, ratably and proportionately to the persons entitled thereto without discrimination or preference; and (iii) third, in case the principal of any of the Outstanding Bonds has become due by declaration of acceleration or otherwise and remains unpaid, to the payment of the principal of all Outstanding Bonds then due and unpaid, then to the payment of interest in default in order of maturity thereof, and then to the payment of the premium thereon, if any; in every instance such payment to be made ratably to the persons entitled thereto without discrimination or preference.

Supplemental Indentures

The Issuer and the Trustee, without the consent of, or notice to, any of the Holders of the Bonds, may enter into Supplemental Indentures: (a) to add to the covenants and agreements of the Issuer contained in the Indenture, or to assign or pledge additional security for the Bonds, or to surrender any right or power reserved or conferred upon the Issuer in the Indenture, provided such change does not materially adversely affect the interests of the holders of the Bonds; (b) to cure any ambiguity or correct or supplement any defective provision under the Indenture which does not materially adversely affect the interests of the holders of the Bonds; (c) to permit qualification of the Indenture under the Trust Indenture Act of 1939 or similar federal statute, provided such change does not materially adversely affect the interests of the holders of the Bonds; (d) to provide for the procedures required to permit any holder of a Bond, at its option, to utilize an uncertificated system of Bond registration and which does not materially adversely affect the interests of the holders of the Bonds; (e) to make any other change, which in the judgment of the Trustee, is not to the prejudice of the Trustee and which does not materially adversely affect the interests of the holders of the Bonds; (f) to comply with the requirements of Moody's or S&P or Fitch, as applicable, as a condition of rating, or maintaining an existing rating on, the Bonds, provided such change is not materially adverse to the interests of the holders of the Bonds; (g) to provide for (or subsequently modify) an additional Mode for the Bonds and the provisions relating thereto; (h) to provide for the delivery of Bonds in book entry form and as provided in the Indenture; (i) to grant to the Trustee for the benefit of the Owners additional rights, remedies, powers or authority; (j) to subject to the Indenture additional collateral; (k) to permit the qualification of the Bonds for sale under the securities laws of any state of the United States; (l) to authorize different Authorized Denominations of the Bonds and to make correlative amendments and modifications to the Indenture regarding exchangeability of Bonds of different Authorized Denominations, redemptions of portions of Bonds of particular Authorized Denominations and similar amendments and modifications of a technical nature; (m) to evidence the succession of a new Trustee or the appointment by the Trustee, with the consent of the Company, of a co-trustee; (n) to make any change that does not materially adversely affect the rights of any Owner; or (o) to make any change necessary, desirable or appropriate to secure the Bonds with bond insurance, a line of credit, liquidity facility, standby bond purchase agreement and/or other similar security for the Bonds.

The holders of not less than 66-2/3% in aggregate principal amount of the then Outstanding Bonds will have the right to consent to and approve the execution by the Issuer and the Trustee of Supplemental Indentures which add any provisions to, change in any manner or eliminate any of the provisions of, the Indenture or of any Supplemental Indenture; provided, however, without the consents of the holders of all Bonds then Outstanding, no such Supplemental Indenture may (a) extend the fixed maturity of, reduce the principal amount of, reduce the rate or extend the time of payment of interest on, or reduce any premium payable on redemption of, any Bond; or (b) reduce the aforesaid percentage of holders of Bonds whose consent is required for the execution of such Supplemental Indentures; or (c) extend the time of payment or reduce the amount of any payment; or (d) permit the creation of any lien on the Revenues prior to or on a parity with the lien of the Indenture; or (e) permit the creation of any preference of any Bondholder over any other Bondholder; or (f) deprive the holders of the Bonds of the lien created by the Indenture on the Revenues; or (g) extend the due date for the purchase of Bonds on the Mandatory Purchase Date or reduce the Purchase Price of such Bonds. Upon receipt by the Trustee of a certified resolution authorizing the execution by the Issuer of any such Supplemental Indenture, and upon the filing with the Trustee of evidence of the consent of Bondholders, the Trustee will enter into such Supplemental Indenture by execution unless such Supplemental Indenture affects the Trustee's own rights, duties or immunities under the Indenture or otherwise, in which case the Trustee may in its discretion, but is not be obligated to, enter into such Supplemental Indenture.

If at any time the Issuer requests the Trustee to enter into any Supplemental Indenture described in the immediately preceding paragraph, the Trustee will cause notice of the proposed adoption of such Supplemental Indenture to be given to each Bondholder in substantially the manner provided with respect to redemption of Bonds. Such notice will be prepared by the Company and will briefly set forth the nature of the proposed Supplemental Indenture.

It will not be necessary for the consent of the Bondholders to approve the particular form of any proposed Supplemental Indenture, but it will be sufficient if such consent approves the substance thereof.

Promptly after the execution by the Issuer and the Trustee of any Supplemental Indenture, the Trustee will mail a notice, to be prepared by the Company, setting forth in general terms the substance of such Supplemental Indenture, to each Bondholder at the address contained in the registration books maintained by the Trustee. Any failure of the Trustee to give such notice, or any defect therein, will not, however, in any way impair or affect the validity of any such Supplemental Indenture.

No Supplemental Indenture will become effective unless and until the Company consents to the execution and delivery of such Supplemental Indenture. The Company will be given prior written notice of the proposed execution and delivery of any Supplemental Indenture.

Amendments to the Agreement

The Issuer and the Company may, with the consent of the Trustee, but without the consent of or notice to the Bondholders, amend, change or modify the Agreement as may be (a) required by the provisions of the Agreement and the Indenture; (b) for the purpose of curing any

ambiguity or formal defect or omission; (c) in connection with any other change which, in the judgment of the Trustee, is not to the prejudice of the Trustee or materially adverse to the Bondholders; or (d) to comply with the requirements of Moody's or S&P or Fitch as a condition of rating, or maintaining an existing rating on, the Bonds, provided such change is not materially adverse to the interests of the Owners of any of the Bonds. Except for the amendments, changes or modifications as provided in the preceding sentence, the Issuer and the Trustee may not consent to any amendment, change or modification of the Agreement without the consent of the holders of not less than 66-2/3% in aggregate principal amount of the Bonds then Outstanding; provided, however, that the foregoing will not permit or be construed as permitting without the consent of the holders of 100% in aggregate principal amount of the Bonds then outstanding (i) an extension of the time of payment of any Repayment Installment or Purchase Price payment, or (ii) a reduction in the amount of any payment or in the total payment of any Repayment Installment or Purchase Price payment payable under the Agreement, or (iii) a change in the requirements of the Agreement with respect to the maintenance of the Series 2010 First Mortgage Bonds.

Opinion of Bond Counsel; Trustee Consent

Anything in the Indenture to the contrary notwithstanding, no Supplemental Indenture or amendment, change or modification to the Agreement will become effective unless there has been delivered to the Trustee an opinion of Bond Counsel to the effect that such complies with the provisions of the Indenture and does not adversely affect the Tax-Exempt status of interest on the Bonds. The Trustee is required under the Indenture to enter into any Supplemental Indenture or consent to any amendment, change or modification to the Agreement provided such opinion of Bond Counsel is so delivered and provided such does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, consent to it.

Discharge of Indenture

If the entire indebtedness on all Bonds Outstanding has been paid and discharged:

(a) by the payment of the principal of (including redemption premium, if any) and interest on Bonds Outstanding, as and when the same become due and payable; or

(b) by the delivery to the Trustee, for cancellation by it, of all Bonds Outstanding;

and if all other sums payable under the Indenture by the Issuer have been paid and discharged, then the Indenture will cease, terminate and become null and void, and the Trustee will, upon the written request of the Company or the Written Request of the Issuer, and upon receipt by the Trustee of a certificate of the Company and an Opinion of Bond Counsel, each stating that in the opinion of the signers all conditions precedent to the satisfaction and discharge of the Indenture have been complied with, execute proper instruments acknowledging satisfaction of and discharging the Indenture.

Notwithstanding the satisfaction and discharge of the Indenture or the discharge of the Indenture in respect of any Bonds, those provisions of the Indenture relating to the maturity of the Bonds, interest payments and dates thereof, tender for purchase provisions, exchange and

transfer of Bonds, replacement of mutilated, destroyed, lost or stolen Bonds, the safekeeping and cancellation of Bonds, nonpresentment of Bonds and the duties of the Trustee in connection with all of the foregoing, will remain in effect and will be binding upon the Issuer, the Trustee and the Owners of the Bonds and the Trustee will continue to be obligated to hold in trust any moneys or investments then held by the Trustee for the payment of the principal of, redemption price and interest on the Bonds, to pay to the Owners of Bonds the funds so held by the Trustee as and when such payment becomes due.

Any Bond or Authorized Denomination thereof will be deemed to be paid within the meaning of the Indenture when (a) payment of the principal of such Bond or Authorized Denomination thereof, plus interest thereon to the due date thereof (whether such due date is by reason of maturity or upon redemption) either (i) has been made or caused to be made in accordance with the terms thereof, or (ii) has been provided for by irrevocably depositing with the Trustee in trust and irrevocably setting aside exclusively for such payment (A) moneys sufficient to make such payment; and/or (B) nonprepayable, noncallable Permitted Investments described in (a) of the definition thereof, maturing as to principal and interest in such amount and at such time as will insure, without reinvestment, the availability of sufficient moneys, in the opinion of an accountant, banker or other expert reasonably acceptable to the Trustee, to make such payment, and (b) all necessary and proper fees, compensation and expenses of the Trustee pertaining to any such deposit have been paid or the payment thereof provided for to the satisfaction of the Trustee; provided that, if such Bonds are to be redeemed prior to the maturity thereof, notice of such redemption must have been irrevocably given or provisions satisfactory to the Trustee must have been made for giving such notice. At such time as a Bond or Authorized Denomination thereof is deemed to be paid, such Bond or Authorized Denomination thereof will no longer be secured by or entitled to the benefits of the Indenture, except for the purposes of transfer and exchange and any such payment from such moneys or such nonprepayable, noncallable Permitted Investments described in (a) of the definition thereof.

The Issuer or the Company may at any time surrender to the Trustee for cancellation by it any Bonds previously authenticated and delivered which the Issuer or the Company lawfully may have acquired in any manner whatsoever, and such Bonds, upon such surrender and cancellation, will be deemed to be paid and retired.

THE SERIES 2010 FIRST MORTGAGE BONDS

The following description discusses the general terms and provisions of the Company's First Mortgage Bonds, including the Series 2010 First Mortgage Bonds. The Series 2010 First Mortgage Bonds have been issued under the Company Indenture.

The Company Indenture contains the full legal text of the matters described in this section. Because this section is a summary, it does not describe every aspect of the First Mortgage Bonds or the Company Indenture. This summary is subject to and qualified by all the provisions of the Company Indenture, including definitions of terms used in the Company Indenture. A copy of the Company Indenture may be obtained upon request to the Company, or through the Internet, as described in APPENDIX A.

General

Before issuing the Series 2010 First Mortgage Bonds, the Company specified the terms of the Series 2010 First Mortgage Bonds through a board or executive committee resolution, an officer's action, or a supplemental indenture. The Series 2010 First Mortgage Bonds were issued in the principal amount and mature on the Maturity Date of the Bonds and bear interest at the same rate or rates, payable at the same times, as the Bonds. The Series 2010 First Mortgage Bonds are registered in the name of and owned and held by the Trustee for the benefit of the owners of the Bonds and are not transferable except to a successor Trustee under the Indenture.

In the event of the mandatory redemption, unconditional optional redemption, or acceleration of the Bonds, the Company is required to redeem the Series 2010 First Mortgage Bonds in a principal amount equal to the principal amount of the Bonds to be paid.

The Company's obligation to make any payment of the principal of or interest on the Series 2010 First Mortgage Bonds, whether at maturity, upon redemption or acceleration, or otherwise, will be reduced by the amount of any reduction under the Indenture of the corresponding payment of principal of, or interest on the Bonds.

Security

The Series 2010 First Mortgage Bonds, as to the security afforded by the Company Indenture, are secured equally and ratably with all the Company's other First Mortgage Bonds by a legally valid first lien or charge on substantially all of the property and franchises now owned by the Company (with exceptions and exclusions noted below). Such lien and the Company's title to its properties are subject to the terms of franchises, licenses, easements, leases, permits, contracts and other instruments under which properties are held or operated, statutes and governmental regulations, liens for taxes and assessments, and liens of the First Mortgage Trustees. In addition, such liens and the Company's title to its properties are subject to other liens, prior rights and other encumbrances, none of which, with minor or insubstantial exceptions, affects from a legal standpoint the security for the First Mortgage Bonds or the Company's rights to use such properties in its business.

The Company Indenture provides that property hereafter acquired (other than excepted kinds noted below) is to become subject to the lien of the Company Indenture. Such property may be subject to prior liens and other encumbrances.

Properties excepted from the lien of the Company Indenture include cash, accounts receivable, deposits, bills and notes, contracts, leases under which the Company is lessor, securities not specifically required to be pledged, office equipment, vehicles, and all materials, supplies and electric energy acquired or produced for sale, consumption or use in the ordinary conduct of business.

Special Trust Fund

The Company is required to deposit in a special trust fund with The Bank of New York Mellon Trust Company, N.A., as trustee, on each May 1 and November 1, cash equal to 1-1/2% (subject to redetermination by agreement between the Company and The Bank of New York

Mellon Trust Company, N.A, as trustee) of the aggregate principal amount of the First Mortgage Bonds and underlying bonds then outstanding (excluding certain bonds and underlying bonds, such as bonds called for redemption), less certain amounts paid or credited in respect of underlying bonds. The term “underlying bonds” is defined in the Company Indenture to mean any securities or other evidence of indebtedness secured by property subsequently acquired by the Company. Amounts in the special trust fund may, in general, be paid out for payment, redemption (at the redemption prices, including applicable premiums, set forth in the First Mortgage Bonds and subject to the limitation on refunding applicable to various series) or purchase of First Mortgage Bonds or underlying bonds, or to reimburse the Company for the acquisition of certain additional properties. The foregoing deposit requirement has not affected the Company’s cash flow, because the cash deposited has been simultaneously offset by its payment to the Company to reimburse it for the acquisition of additional properties. Thus, there currently are no funds on deposit in the special trust fund.

Issue of Additional First Mortgage Bonds

In general, additional First Mortgage Bonds, ranking equally and ratably with the then outstanding First Mortgage Bonds, may be issued in principal amounts equal to the lesser of (i) the amount authorized under the net earnings test described below, and (ii) the sum of the following:

- (a) certain First Mortgage Bonds and underlying bonds acquired, redeemed or otherwise retired;
- (b) cash deposited to pay or redeem First Mortgage Bonds or underlying bonds;
- (c) 66-2/3% of the net amount of additional property constructed or acquired by the Company and not theretofore used for other purposes under the Company Indenture, subject to certain restrictions; and
- (d) cash deposited in an advance construction account with The Bank of New York Mellon Trust Company, N.A., as trustee (in certain events with such trustee’s consent), to be withdrawn to reimburse the Company for 66-2/3% of unbonded additional property.

As of February 28, 2015, there were \$700 million in principal amount of First Mortgage Bonds acquired, redeemed or otherwise retired against which bonds might be issued under the Company Indenture pursuant to clause (a) above. As of February 28, 2015, the net amount of additional property against which First Mortgage Bonds might be issued under the Company Indenture pursuant to clause (c) above was approximately \$26.4 billion, resulting in the ability to issue \$17.6 billion of first mortgage bonds pursuant to clause (c) (i.e. \$26.4 billion x .6666 = \$17.6 billion). As of February 28, 2015, the Company had approximately \$10.7 billion of First Mortgage Bonds outstanding (including \$939 million of First Mortgage Bonds issued to secure pollution control bonds and such amount includes \$161 million of pollution control bonds that the Company repurchased but which remain outstanding, including the Bonds being reoffered hereby).

Furthermore, in addition to the Company Indenture's bondable property requirement described in clause (c) above, the Company Indenture also provides that additional First Mortgage Bonds may not be issued unless the Company's net earnings (as defined) for 12 months shall have been at least two and one half times (2.5x) the Company's total annual First Mortgage Bond interest charge. At December 31, 2014, under the net earnings test the Company could issue \$28.5 billion of additional First Mortgage Bonds (based on net earnings as of December 31, 2014). Notwithstanding the net earnings requirement, additional First Mortgage Bonds may be issued under the provisions referred to in (a) and (b) above under some circumstances involving, among other things, issuance of First Mortgage Bonds not bearing a higher interest rate than the First Mortgage Bonds to be retired, issuance of First Mortgage Bonds to pay or redeem First Mortgage Bonds maturing within two years, and issuance of First Mortgage Bonds on the basis of acquisition, redemption or other retirement of underlying bonds. Additional First Mortgage Bonds may not be issued under the provisions referred to in clauses (c) and (d) above during any period when indebtedness secured by a prior lien on acquired utility property has not been established as underlying bonds.

Other than the security afforded by the lien of the Company Indenture and restrictions on the issuance of additional bonds described above, there are no provisions of the Company Indenture which afford holders of the First Mortgage Bonds protection against the Company increasing the Company's ratio of total debt to total "bondable" assets.

Defaults and Other Provisions

The Company Indenture provides that the following are defaults:

- default in payment of principal;
- default for 60 days in payment of interest or satisfaction of the special trust fund obligation;
- default under the Company's covenants and conditions in the Company Indenture or in the First Mortgage Bonds for 60 days after notice by The Bank of New York Mellon Trust Company, N.A., as trustee;
- certain acts of bankruptcy and certain events in bankruptcy, insolvency, receivership or reorganization proceedings; and
- the Company's failure to discharge or stay within 60 days any judgment against the Company for the payment of money in excess of \$100,000.

A California court may not strictly enforce certain of the Company's covenants contained in the Company Indenture or the First Mortgage Bonds or allow acceleration of the due date of the First Mortgage Bonds, or mandatory redemption of the First Mortgage Bonds upon demand by the Trustee, if it concludes that such enforcement, acceleration or redemption would be unreasonable under the then existing circumstances. However, acceleration would be available if an event of default occurs as a result of a material breach of a material covenant contained in the Company Indenture or the First Mortgage Bonds.

The Company Indenture and the Trust Indenture Act of 1939 require the Company to file with the First Mortgage Trustees documents and reports with respect to the absence of default and compliance with the terms of the Company Indenture annually and upon the authentication and delivery of additional First Mortgage Bonds, the release of cash or property, the satisfaction and discharge of the Company Indenture, or any other action requested to be taken by the First Mortgage Trustees at the Company's request.

The holders of a majority in principal amount of outstanding First Mortgage Bonds may require the First Mortgage Trustees to enforce the lien of the Company Indenture upon the happening (and continuance for the prescribed grace period, if any) of any of the defaults referred to above, and upon the indemnification of the First Mortgage Trustees to their reasonable satisfaction.

Concerning the First Mortgage Trustees

The Bank of New York Mellon Trust Company, N.A and certain of its affiliates act as trustees for the Company's senior debt securities and certain pollution control bonds issued on the Company's behalf, including the Bonds. The Company maintains bank deposits with The Bank of New York Mellon Trust Company, N.A. and may borrow money from the bank from time to time.

Neither by the Company Indenture nor otherwise are the First Mortgage Trustees restricted from dealing in the First Mortgage Bonds as freely as though they were not the First Mortgage Trustees. However, the Trust Indenture Act provides that if a trustee acquires or has acquired a conflicting interest, as defined in the Trust Indenture Act, and a default under the indenture occurs or has occurred, such trustee must within 90 days following the default eliminate such conflict, cure the default, or resign. The Trust Indenture Act provides that a trustee with an uncured conflict of interest will not be required to resign if it can show that the conflict will be cured or the default waived within a reasonable time and a stay of its duty to resign is not inconsistent with the interests of the holders of the outstanding securities. In certain cases, the Company Indenture and the Trust Indenture Act require the First Mortgage Trustees to share the benefit of payments received as a creditor after the beginning of the third month prior to a default.

Modification of the Company Indenture

The holders of 80% in principal amount of all First Mortgage Bonds outstanding may authorize release of trust property, waive defaults and authorize certain modifications of the Company Indenture. However, the Company's obligation to pay principal and interest will continue unimpaired; and such modifications may not include, among other things, modifications giving any First Mortgage Bonds preference over other First Mortgage Bonds or authorizing any lien prior to that of the Company Indenture. In addition, modifications of rights of any series require the assent of the holders of 80% in principal amount of the First Mortgage Bonds of that series.

THE TRUSTEE

There will at all times be a Trustee under the Indenture which will be a bank, national association or trust company, organized and doing business under the laws of the United States or any state and authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$75,000,000 and subject to supervision or examination by state or federal authorities. If such bank, national association or trust company publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purposes of the Indenture the combined capital and surplus of such bank, national association or trust company will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

The Trustee may at any time resign by giving written notice to the Issuer and the Company and by giving to the Bondholders written notice mailed by first class mail to their addresses shown on the registration books maintained by the Trustee; provided, however, that any such resignation will not be effective until a successor Trustee has been appointed and has accepted such appointment. Upon receiving such written notice of resignation, the Issuer, at the direction of the Company (provided that the Company is not in default under the Agreement), will appoint a successor Trustee by an instrument in writing.

The Trustee may be removed at any time by an instrument or concurrent instruments in writing delivered to the Trustee, to the Issuer and to the Company, and signed by the owners of a majority in aggregate principal amount of Outstanding Bonds. In addition, the Trustee may be removed at the written direction of the Company (provided that the Company is not in default under the Agreement) to the Trustee and the Issuer. Upon any such removal, the Company (provided that the Company is not in default under the Agreement), or such Bondholders, as the case may be, will appoint a successor Trustee. If no successor Trustee has been so appointed and accepted appointment within 30 days after the giving of such notice of resignation or removal, the Trustee resigning or being removed may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

The Issuer authorized and directed the Trustee under the Indenture, and the Trustee agreed, to take such actions as the Trustee determines are necessary to realize moneys under the Series 2010 First Mortgage Bonds as necessary to make timely payment of principal of and interest on the Bonds to the extent other moneys in the Bond Fund are not available for such payment.

The Trustee, as holder of the Series 2010 First Mortgage Bonds, will attend meetings of bondholders under the Company Indenture or deliver its proxy in connection therewith. So long as no Event of Default under the Indenture has occurred and is continuing, either at such meeting, or otherwise when the consent of the holders of the First Mortgage Bonds issued under the Company Indenture is sought without a meeting, the Trustee will vote as the holder of the Series 2010 First Mortgage Bonds, or will consent with respect thereto, proportionately with what the Trustee reasonably believes will be the vote or consent of the holders of all other outstanding First Mortgage Bonds voting or consenting; provided, however, that if (a) the Company has proposed one or more modifications to the Company Indenture; and (b) each Rating Agency has indicated in writing that such modification or modifications would not result

in a withdrawal or a reduction of the ratings on the First Mortgage Bonds of the Company issued under the Company Indenture, the Trustee will vote as holder of the Series 2010 First Mortgage Bonds or will consent in writing with respect thereto, to approve, adopt and consent to such modification or modifications; and provided further, that the Trustee will not vote in favor of, or consent to, any modification of the Company Indenture which is of such a character or nature as would require the approval of the owners of the Bonds were such modification to be made to the Indenture without the approval of the owners of Bonds which would be required for a correlative modification of the Indenture. Where the direction to the Trustee described in this paragraph is not applicable, the Trustee is authorized under the Indenture to act with respect to the Series 2010 First Mortgage Bonds as otherwise permitted or required by the Indenture.

REOFFERING

The Underwriters named on the cover page of this Reoffering Circular have agreed, jointly and severally, subject to certain conditions, to purchase the Bonds on the Mode Change Date at a purchase price of 100% of the principal amount thereof. The Company has agreed to pay the Underwriters compensation of \$300,000 and to reimburse the Underwriters for certain reasonable out-of-pocket expenses. The Underwriters have agreed to purchase all Bonds if any are purchased.

The Company has agreed to indemnify the Underwriters against certain liabilities or to contribute to any payments required to be made by the Underwriters relating to such liabilities, including liabilities under the federal securities laws. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the offering price stated on the cover page of this Reoffering Circular. After the initial public reoffering, the public offering price of the Bonds may be changed from time to time by the Underwriters.

Each of the Underwriters and/or their affiliates engages in transactions with and performs investment banking and other services for the Company and its affiliates from time to time in the ordinary course of business.

Morgan Stanley, parent company of Morgan Stanley & Co. LLC, an Underwriter of the Bonds, has entered into a retail distribution arrangement with its affiliate Morgan Stanley Smith Barney LLC. As part of the distribution arrangement, Morgan Stanley & Co. LLC may distribute municipal securities to retail investors through the financial advisor network of Morgan Stanley Smith Barney LLC. As part of this arrangement, Morgan Stanley & Co. LLC may compensate Morgan Stanley Smith Barney LLC for its selling efforts with respect to the Bonds.

J.P. Morgan Securities LLC (“JPMS”), one of the Underwriters of the Bonds, has entered into negotiated dealer agreements (each, a “Dealer Agreement”) with each of Charles Schwab & Co., Inc. (“CS&Co.”) and LPL Financial LLC (“LPL”) for the retail distribution of certain securities offerings at the original issue prices. Pursuant to each Dealer Agreement, each of CS&Co. and LPL will purchase Bonds from JPMS at the original issue price less a negotiated portion of the selling concession applicable to any Bonds that such firm sells.

Siebert Brandford Shank & Co., L.L.C. (“SBS”) has entered into an agreement with Credit Suisse Securities (USA) for the retail distribution of certain securities offerings, at the original issue prices. Pursuant to said agreement, if applicable to the Bonds, Credit Suisse Securities (USA) will purchase Bonds at the original issue price less the selling concession with respect to any Bonds that Credit Suisse Securities (USA) sells. SBS will share a portion of its underwriting compensation with Credit Suisse Securities (USA).

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The consolidated financial statements incorporated in this Reoffering Circular by reference to the Annual Report on Form 10-K for the year ended December 31, 2014, have been audited by PricewaterhouseCoopers LLP, an independent registered public accounting firm, as stated in their report incorporated herein.

TAX MATTERS

On December 16, 2010, the date on which the Bonds were issued, Greenberg Traurig, LLP, Bond Counsel at that time, rendered an approving opinion to the effect, among other things, that, subject to compliance by the Issuer and the Company with certain covenants, under then existing law, (a) interest on the Bonds was excludable from gross income of the owners thereof for federal income tax purposes (except for interest on any Bond for any period during which that Bond is held by a “substantial user” of the Project or by a “related person,” as those terms are used in Section 147(a) of the Code), and (b) interest on the Bonds was not an item of tax preference for the purpose of computing the federal alternative minimum tax imposed on individuals and corporations and such interest on the Bonds was not taken into account in determining adjusted current earnings for the purpose of computing the federal alternative minimum tax imposed on certain corporations (the “Approving Opinion”). The text of the Approving Opinion is included as APPENDIX B hereto. Greenberg Traurig, LLP has not been engaged in connection with the reoffering of the Bonds contemplated by this Reoffering Circular.

On the Mode Change Date, Kutak Rock LLP, as Successor Bond Counsel, will render its opinion to the effect that the change in Mode for the Bonds to the Term Rate Mode on such date is permitted under the Act and the Indenture and will not, in and of itself, impair any exclusion of interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation. The proposed form of the opinion of the Successor Bond Counsel is attached hereto as APPENDIX C. As indicated in such opinion, the Successor Bond Counsel has not been requested, and has not undertaken, to make an independent investigation regarding the expenditure of Bond proceeds, to confirm that the Company and the Issuer have complied with the covenants, certifications and representations in the Agreement or certain tax documents, or (except in respect of the change in Mode for the Bonds to the Term Rate Mode on the Mode Change Date) to review any other events which may have occurred since the Approving Opinion was rendered which might affect the exclusion of interest on the Bonds from the gross income of the owners thereof for federal income tax purposes or which might change the opinions expressed in the Approving Opinion. The Successor Bond Counsel will assume the accuracy of the Approving Opinion, and will not verify such accuracy and also will not express any opinion with respect to (i) whether the proceeds of the Bonds have been used in the required manner, or

as to the status of the Project; (ii) the enforceability of the Indenture or the Agreement against the parties thereto, or the compliance by the Issuer or the Company with the terms and provisions of the Indenture, the Agreement or any other document executed in connection with the Bonds; (iii) any governmental approvals, consents or authorizations that may be required in connection with the original or any subsequent purchase or sale of the Bonds; (iv) the exclusion from gross income for federal or state income tax purposes of the interest on the Bonds (except in respect of the change in Mode for the Bonds to the Term Rate Mode on the Mode Change Date); or (v) the accuracy, completeness or sufficiency of any disclosure material relating to the Bonds, including any disclosure material utilized in connection with the reoffering of the Bonds on the Mode Change Date.

CONTINUING DISCLOSURE

Pursuant to Securities and Exchange Commission (“SEC”) Rule 15c2-12, as amended (the “Rule”), and unless exempt thereunder, the issuer of municipal securities, or an obligated person, must undertake to provide certain annual financial and other information to the Municipal Securities Rulemaking Board (the “MSRB”) through its Electronic Municipal Market Access System (“EMMA”) on an ongoing basis. The information provided to the MSRB must refer to each issue of securities with respect to which it is furnished. The Company has agreed to comply with the requirements of the Rule with respect to the Bonds which include, among other things, entering into a continuing disclosure agreement to file on EMMA:

(a) within 120 days after the close of its fiscal year, a copy of the Company’s Annual Report on Form 10-K for each fiscal year (or a notice incorporating by reference the report filed with the SEC), or in the event that the Company no longer files such reports with the SEC, such annual financial information and audited financial statements as will satisfy the Rule; and

(b) in a timely manner not in excess of ten business days after the occurrence of the event, notice of any of the following events with respect to the Bonds: (1) principal and interest payment delinquencies; (2) non-payment related Events of Default under, and as defined in, the Indenture, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds; (7) modifications to rights of Owners of the Bonds, if material; (8) Bond calls, if material, and tender offers; (9) defeasances; (10) release, substitution, or sale of property securing repayment of the Bonds, if material; (11) rating changes; (12) bankruptcy, insolvency, receivership or similar proceeding regarding an issuer or an obligated person; (13) the consummation of a merger, consolidation, or acquisition involving an obligated person or the sale of all or substantially all of the assets of an obligated person, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material; (14) appointment of a successor or additional trustee or the change

of name of a trustee, if material; and (15) any failure of the Company to timely provide an Annual Report.

The Company is party to several similar continuing disclosure agreements entered into in accordance with the Rule, relating to various issues of pollution control revenue bonds with respect to which it is the obligated person. To the best of the Company's knowledge after due inquiry, in the past five years the Company has fully complied with all requirements of these disclosure agreements, except in the following instances:

- when the Company filed its annual financial information for the years 2011 and 2013 on EMMA (by reference to the Company's Annual Report on Form 10-K for those years filed with the SEC), the Company inadvertently omitted one of the issues, in the case of 2011, and two of the issues, in the case of 2013, of pollution control revenue bonds for which it is the obligated person (but correctly listed all the others); and
- when the Company reported on EMMA the upgrading by Moody's of the Company's debt securities on January 30, 2014, the Company referred to the upgrade of its senior unsecured debt from A3 to A2, but inadvertently omitted reference to the upgrading of its senior secured debt from A1 to Aa3.

The foregoing deficiencies were remediated by corrective filings on EMMA promptly after discovery thereof. The Company has established procedures to assure that required filings on EMMA are made timely and correctly. Information regarding the Company's results of operations and financial condition, as well as the ratings of its securities, is contained in periodic reports filed with the SEC, all of which have been made timely, and on the Company's website.

See "AVAILABLE INFORMATION" and "INCORPORATION OF CERTAIN DOCUMENTS BY REFERENCE" in APPENDIX A hereto.

The Issuer is not an obligated person under the Rule and is not required to provide continuing disclosure information with respect to itself or the Bonds.

CERTAIN LEGAL MATTERS

Certain legal matters will be passed upon by Kutak Rock LLP, who has been retained by, and acts as Successor Bond Counsel to, the Company with respect to the reoffering of the Bonds. The proposed form of the opinion of the Successor Bond Counsel is set forth as APPENDIX C to this Reoffering Circular. The Successor Bond Counsel has not been retained or consulted on disclosure matters and has not undertaken to review or verify the accuracy, completeness or sufficiency of this Reoffering Circular or other offering material relating to the Bonds and assumes no responsibility for the statements or information contained in or incorporated by reference in this Reoffering Circular, except that in its capacity as Successor Bond Counsel, Kutak Rock LLP has, at the request of the Underwriters, reviewed the statements describing its proposed opinion and the information under the captions "THE BONDS" (except for information relating to DTC and its Book-Entry Only System), "THE LOAN AGREEMENT" and "THE INDENTURE" solely to determine whether such information conforms to the Bonds, the

Agreement and the Indenture. This review was undertaken solely at the request and for the benefit of the Underwriters and did not include any obligation to establish or confirm factual matters set forth therein.

Certain legal matters will be passed upon for the Company by Barbara E. Mathews, Esq., Vice President, Associate General Counsel, Chief Governance Officer and Corporate Secretary of the Company. Certain legal matters will be passed upon for the Underwriters by Pillsbury Winthrop Shaw Pittman LLP.

The California Public Utilities Code (the “Utilities Code”) requires (with certain exceptions) that the Company obtain authorization of the California Public Utilities Commission (“CPUC”) in order to issue securities, and provides that securities issued without such an order then in effect are void. Section 1708 of the Utilities Code further provides that the CPUC may at any time, upon notice and opportunity for hearing, rescind, alter or amend any order and that any order rescinding, altering or amending a prior order will have the same effect as an original order. The Company obtained an order of the CPUC authorizing the execution and delivery by the Company of the Agreement and the issuance and delivery by the Company of the Series 2010 First Mortgage Bonds. However, in recognition of the ambiguities in the Utilities Code, the legal opinion of Barbara E. Mathews, Esq. referred to above, which covers, among other things, the validity of the Company’s obligations under the Agreement and the Series 2010 First Mortgage Bonds, is subject to her statement therein that no opinion is expressed as to the possible effect of Section 1708 of the Utilities Code. The Company believes that the CPUC has no reason to initiate proceedings to rescind, alter or amend the aforesaid financing order in any respect. Furthermore, the Company is not aware of any instance in which the CPUC has attempted to rescind, alter or amend a financing order in a manner that would adversely affect the validity of outstanding securities.

This Reoffering Circular has been duly approved and delivered by the Company. The Company neither has nor assumes any responsibility as to the accuracy or completeness with respect to the information under the captions “INTRODUCTORY STATEMENT—The Issuer,” “THE BONDS—Book-Entry Only System,” “REOFFERING” and “TAX MATTERS.”

SOUTHERN CALIFORNIA EDISON COMPANY

AVAILABLE INFORMATION

Southern California Edison Company (the “Company”) is subject to the informational requirements of the Securities and Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance therewith files reports, proxy statements and other information with the Securities and Exchange Commission (the “Commission”). APPENDIX B

TEXT OF OPINION OF GREENBERG TRAURIG, LLP DATED DECEMBER 16, 2010

On December 16, 2010, the date on which the Bonds were issued, Greenberg Traurig, LLP, as Bond Counsel at that time, issued its approving opinion as follows:

Southern California Edison Company
2244 Walnut Grove Avenue
Rosemead, California 91770

\$75,000,000
Clark County, Nevada
Pollution Control Refunding Revenue Bonds
(Southern California Edison Company)
2010 Series

We hereby certify that we have examined a certified copy of the proceedings of record of the Board of County Commissioners of Clark County, Nevada (the "Issuer"), preliminary to and in connection with the issuance by the Issuer of its Pollution Control Refunding Revenue Bonds (Southern California Edison Company) 2010 Series in the aggregate principal amount of \$75,000,000 (the "Bonds"). The Bonds are being issued pursuant to the provisions of the County Economic Development Revenue Bond Law, as amended, contained in Sections 244A.669 to 244A.763, inclusive, of the Nevada Revised Statutes (the "Act"), for the purpose of refunding certain bonds heretofore issued by the Issuer (the "Prior Bonds"), the proceeds of which were used to refinance costs to Southern California Edison Company, a California corporation (the "Company"), of certain pollution control facilities (the "Project") in Clark County, Nevada.

The Bonds are issuable as fully registered Bonds in authorized denominations, are dated the date of issuance, bear interest as determined from time to time in the manner set forth in the Bonds, and are subject to tender for purchase and redemption prior to maturity at the times, in the manner and upon the terms set forth in the Indenture (as hereinafter defined). The Bonds mature on June 1, 2031. As provided in the Act, the Bonds and interest and premium, if any, thereon are special, limited obligations of the Issuer, payable solely from the sources hereinafter described, and shall never constitute the debt or indebtedness of the Issuer within the meaning of any provision or limitation of the Constitution or statutes of the State of Nevada, and shall not constitute nor give rise to a pecuniary liability of the Issuer or a charge against its general credit or taxing powers.

From such examination of the proceedings of the Issuer referred to above and such other matters as we deem appropriate and from an examination of the Act and such other laws as we deem appropriate, we are of the opinion that such proceedings show lawful authority for said issue of Bonds under the laws of the State of Nevada now in force, that the form of bond prescribed for said issue is in due form of law and that the Bonds to the amount named are valid and legally binding limited obligations of the Issuer, enforceable in accordance with their terms,

subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by general principles of equity, whether considered at law or in equity.

Pursuant to a Loan Agreement by and between the Company and the Issuer dated as of December 1, 2010 (the "Agreement"), the Issuer has agreed to make a loan of the proceeds of the Bonds to the Company for the purpose stated above, and the Company has agreed to repay such loan by making payments at such times and in such amounts as are sufficient to pay the principal of, premium, if any, and interest on the Bonds when due, whether at stated maturity, call for redemption or acceleration. The Agreement (an executed counterpart of which has been examined by us) has, in our opinion, been duly authorized, executed and delivered by the Issuer and, assuming the due authorization, execution and delivery thereof by the Company, is a valid and binding obligation of the Issuer enforceable in accordance with its terms, subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by general principles of equity, whether considered at law or in equity.

We have also examined an executed counterpart of the Indenture of Trust by and between the Issuer and The Bank of New York Mellon, as Trustee (the "Trustee"), dated as of December 1, 2010 (the "Indenture"), which Indenture secures the Bonds and sets forth the covenants and undertakings of the Issuer in connection with the Bonds. Under the Indenture, the revenues and receipts required to be paid by the Company under the Agreement, together with certain of the rights of the Issuer thereunder, are pledged and assigned to the Trustee as security for the Bonds. The Indenture has, in our opinion, been duly authorized, executed and delivered by the Issuer and, assuming the due authorization, execution and delivery thereof by the Trustee, is a valid and binding obligation of the Issuer, enforceable in accordance with its terms, subject to the qualification that the enforcement thereof may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and by general principles of equity, whether considered at law or in equity. We are also of the opinion that the Bonds have been validly issued under the Indenture and that all requirements under the Indenture precedent to delivery of such Bonds have been satisfied.

It is our opinion that, subject to the assumption stated below: (a) interest on the Bonds is excludable from gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which that Bond is held by a "substantial user" of the Project or by a "related person," as those terms are used in Section 147(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and (b) interest on the Bonds is not an item of tax preference for the purpose of computing the federal alternative minimum tax imposed on individuals and corporations and such interest on the Bonds is not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations.

In rendering the opinion set forth in the immediately preceding paragraph, we have examined a private letter ruling dated November 30, 2010 obtained by the Company from the Internal Revenue Service with respect to the Prior Bonds and the Project, and we have assumed continuing compliance by the Issuer and the Company with the requirements of the Code that must be met after the issuance of the Bonds in order that interest on the Bonds be, and continue

to be, excludable from gross income for federal income tax purposes. The Issuer and the Company have covenanted to comply with the requirements of the Code in order to maintain the excludability of interest on the Bonds from gross income for federal income tax purposes. The failure by the Issuer or the Company to comply with certain of such requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Bonds.

We express no opinion herein as to the accuracy, adequacy or completeness of the Official Statement dated December 10, 2010 relating to the Bonds.

In rendering this opinion, we have relied upon certifications of the Issuer and the Company with respect to certain material facts within the knowledge of the Issuer and the Company. Our opinion represents our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinion and is not a guarantee of a result. This opinion is given as of the date hereof and we assume no obligation to revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

Respectfully submitted,

Greenberg Traurig, LLP

Clark County, Nevada
Pollution Control Refunding Revenue Bonds
(Southern California Edison Company)
2010 Series

Ladies and Gentlemen:

The above-described Bonds (the “Bonds”) were issued by Clark County, Nevada (the “Issuer”) on December 16, 2010 pursuant to an Indenture of Trust dated as of on December 1, 2010 (the “Indenture”) between the Issuer and The Bank of New York Mellon, as Trustee (the “Trustee”). We have been advised by Southern California Edison Company (the “Company”) that the Bonds were in a Weekly Mode from May 3, 2011 through and including March 31, 2015. We have been advised by the Trustee that no Event of Default has occurred and is continuing under the Indenture. Each capitalized term used herein and not defined herein shall have the meaning given to such term in the Indenture.

We have been provided with an executed copy of a written notice of the Company dated March 11, 2015 (the “Company Notice”) addressed to the Issuer, the Trustee and the Remarketing Agent (together, the “Notice Parties”), notifying such parties that, pursuant to the Indenture, the Company intended to change the Mode for the Bonds from the Weekly Mode to the Term Rate Mode on the date hereof (the “Mode Change Date”). Section 2.07(a)(iii) of the Indenture provides that the change to the Term Rate Mode from the Weekly Mode will not occur unless a Favorable Opinion of Bond Counsel dated the Mode Change Date is addressed and delivered to the Issuer, the Trustee and the Remarketing Agent on the Mode Change Date. Section 5.06(c)(i) of the Indenture also requires that the Issuer receive a Favorable Opinion of Bond Counsel with respect to the remarketing of the Bonds on the date hereof. The Company

has requested that we provide these Favorable Opinions of Bond Counsel as required by the Indenture.

In that regard, we have examined the Company Notice, the Indenture, the Loan Agreement dated as of December 1, 2010 between the Issuer and the Company (the "Loan Agreement") and such other certificates, documents and matters of law as we have deemed necessary to render the opinions set forth below. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, all parties thereto. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the Indenture, the Loan Agreement, the Project Certificate of the Company dated December 16, 2010 (which includes prior tax certificates of the Company, the "Project Certificate") and the Tax Exemption Certificate and Agreement among the Issuer, the Company and the Trustee dated December 16, 2010 (which includes prior tax agreements of the Company, the "Tax Agreement"), and that the use and purposes of the facilities refinanced with the proceeds of the Bonds have not been altered to a use or purpose other than pollution control as set forth in the Project Certificate and the Tax Agreement.

Based upon and subject to the foregoing, and in reliance thereon, as of the date hereof under existing law, we are of the opinion that the change in Mode for the Bonds from the Weekly Mode to the Term Rate Mode on the date hereof and the remarketing of the Bonds on the date hereof is permitted under the Act and the Indenture and will not, in and of themselves, impair any exclusion of interest on the Bonds from gross income of the owners thereof for purposes of federal income taxation.

On December 16, 2010, the date on which the Bonds were issued, Greenberg Traurig, LLP, bond counsel at that time, rendered an approving opinion to the effect, among other things, that, subject to compliance by the Issuer and the Company with certain covenants, under then existing law, (a) interest on the Bonds was excludable from gross income of the owners thereof for federal income tax purposes, except for interest on any Bond for any period during which that Bond is held by a "substantial user" of the Project or by a "related person," as those terms are used in Section 147(a) of the Internal Revenue Code of 1986, as amended (the "Code"), and (b) interest on the Bonds was not an item of tax preference for the purpose of computing the federal alternative minimum tax imposed on individuals and corporations and such interest on the Bonds was not taken into account in determining adjusted current earnings for the purpose of computing the alternative minimum tax imposed on certain corporations (the "Approving Opinion"). As indicated in the Approving Opinion, Greenberg Traurig, LLP relied upon certifications of the Company and the Issuer with respect to certain material facts within the Company's and the Issuer's knowledge.

We have not been requested, nor have we undertaken, to make an independent investigation regarding the expenditure of Bond proceeds, to confirm that the Company and the Issuer have complied with the covenants, certifications and representations in the Loan Agreement, the Tax Agreement and the Project Certificate, or (except in respect of the change in Mode for the Bonds from the Weekly Mode to the Term Rate Mode on the date hereof and the remarketing of the Bonds on the date hereof) to review any other events which may have occurred since the Approving Opinion was rendered which might affect the exclusion of interest

on the Bonds from the gross income of the owners thereof for federal income tax purposes or which might change the opinions expressed in the Approving Opinion. We have assumed the accuracy of the Approving Opinion, and we have not verified such accuracy. Further, without limiting the generality of the foregoing, we express no opinion with respect to (i) whether the proceeds of the Bonds have been used in the required manner, or as to the status of the Project; (ii) the enforceability of the Indenture or the Loan Agreement against the parties thereto, or the compliance by the Issuer or the Company with the terms and provisions of the Indenture, the Loan Agreement or any other document executed in connection with the Bonds; (iii) any governmental approvals, consents or authorizations that may be required in connection with the original or any subsequent purchase or sale of the Bonds; (iv) the exclusion from gross income for federal or state income tax purposes of the interest on the Bonds (except as specifically set forth in the second immediately preceding paragraph); or (v) the accuracy, completeness or sufficiency of any disclosure material relating to the Bonds, including any disclosure material utilized in connection with the reoffering of the Bonds on the date hereof. The opinions expressed herein are accordingly limited to the opinions specifically stated in the second immediately preceding paragraph as required by Sections 2.07(a)(iii) and 5.06(c)(i) of the Indenture.

The opinions set forth above are furnished by us as Bond Counsel to the Company. No attorney-client relationship has existed or exists between our firm and the addressees by virtue of such opinions.

The opinions set forth above represent our legal judgment based upon our review of the law and the facts that we deem relevant to render such opinions, and are not a guarantee of a result. The opinions set forth above are given as of the date hereof and we assume no obligation to revise or supplement such opinions to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur. The opinions set forth above are furnished solely for your information and benefit in connection with the change in Mode for the Bonds from the Weekly Mode to the Term Rate Mode on the date hereof and the remarketing of the Bonds on the date hereof, and may not be relied upon by any other person.

Respectfully submitted,
