About Edison International

Edison International (NYSE:EIX), through its subsidiaries, is a generator and distributor of electric power, as well as a provider of energy services and technologies, including renewable energy. Headquartered in Rosemead, Calif., Edison International is the parent company of Southern California Edison, one of the nation’s largest electric utilities. Edison International is also the parent company of Edison Energy Group, a portfolio of competitive businesses that provide commercial and industrial customers with energy management and procurement services and distributed solar generation. Edison Energy Group companies are independent from Southern California Edison.
