Independent Accountant's Report

To the Board of Directors Southern California Edison Company

We have examined management of Southern California Edison Company's (the "Company") assertion, included in the accompanying Sustainable Financing Report ("Management's Assertion Report"), that \$445.4 million net proceeds from the June 9, 2021 issuance of the \$450.0 million aggregate principal amount of the 2021 2.50% Sustainability Bonds due 2031, \$445.0 million net proceeds from the June 9, 2021 issuance of the \$450.0 million aggregate principal amount of the 2021 3.65% Sustainability Bonds due 2051, \$343.7 million net proceeds from the January 10, 2022 issuance of the \$500 million aggregate principal amount of the 2022 2.75% Sustainability Bonds due 2032 and \$333.3 million net proceeds from the January 10, 2022 issuance of the \$700 million aggregate principal amount of the 2022 3.45% Sustainability Bonds due 2052, were disbursed by the Company during the period July 1, 2019 to March 31, 2022, for Eligible Projects within the criteria described in Edison International Sustainable Financing Framework (the "Criteria"). The Company's management is responsible for its assertion. Our responsibility is to express an opinion on management's assertions based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the management's assertion is fairly stated, in all material respects. An examination involves performing procedures to obtain evidence about management's assertions. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material misstatement of management's assertion, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

We are required to be independent and to meet our other ethical responsibilities in accordance with relevant ethical requirements relating to the engagement.

In our opinion, management's assertion that \$445.4 million net proceeds from the June 9, 2021 issuance of the \$450.0 million aggregate principal amount of the 2021 2.50% Sustainability Bonds due 2031, \$445.0 million net proceeds from the June 9, 2021 issuance of the \$450.0 million aggregate principal amount of the 2021 3.65% Sustainability Bonds due 2051, \$343.7 net million proceeds from the January 10, 2022 issuance of the \$500 million aggregate principal amount of the 2022 2.75% Sustainability Bonds due 2032 and \$333.3 million net proceeds from the January 10, 2022 issuance of the \$700 million aggregate principal amount of the 2022 3.45% Sustainability Bonds due 2052, were disbursed by the Company during the period from July 1, 2019 to March 31, 2022, for Eligible Projects within the Criteria is fairly stated, in all material respects.
